Please write a half-page or longer statement about your project to be kept in the Creative District Records.

Include a project description, including information about the project medium, project creation, performance (if applicable), and long-term maintenance (if applicable).

Please include a final project budget.

Let us know if there were any changes from your original project budget. This budget may be completed on the same budget form that was used for the project application.

Tell us about working with the Crested Butte Creative District

How was working with us? Anything we can do to improve in the future?

Please attach:

1. Photos of your project, including final product, as well as process.
2. Proof of the two ways you acknowledged the Creative District. Information available about acknowledgement in the grant guidelines. Thanks for doing this – it helps us to continue to do the work we do!
